

## ADVERTISEMENTS FOR BRYAN

Minister Gatherings in New York State to Hear the Patriotic Champion

Bryant-Moor Free-Air.

Albany, N. Y., Sept. 14.—WILLIAM BRYANT was around the other day at a business dinner from Hudson to Albany, New York, and probably made a few acquaintances. A lot of news can be had concerning during the campaign.

Adults turned to a gathering of intelligent people of all classes, at Troy to discuss aspects of an open house and with their participating meeting of college professors and business leaders at Mechanicville to national people, at Cohoes to members of the conference of the educational women mills and at Albany to distinguished meetings one in the opera house and one outside, composed of the annual dinner of the city.

Today great meetings of the type were held at Troy, the home of Senator Chapman, and Albany, the home of Senator Hill. Mr. Hill is absent in the west. At both Troy and Albany the meetings were phenomenally large and controversial, intense, everyone having to decide how to nominate those who deserved to have it over Mr. Bryan.

Admirable meetings were not begun until yesterday at noon that had taken place elsewhere, a parade keeping the audience in the street and theatre windows. The theater was filled to overflowing and a large overflow on the outside surrounding the Bryan's attention. Admiration's voice blazed palpable signs of enthusiasm.

Mr. Bryan referred to Mr. Hanna's speech yesterday in which he said the people ought not to swap horses in crossing a stream and said: "Mr. Hanna is in error, the republican party is not responding to a stream but to ocean. It is jumping back to European ideas and again had best swap horses and come back, instead of crossing the ocean."

## AN EXCELLENT SHOW.

Pawnee Bill's Wild West Show concluded its tents on the east side Wednesday and all day the grounds were crowded with eager spectators. Sunday afternoon and evening performances were largely attended and all were thoroughly pleased with the exhibition. All the different phases of frontier life were portrayed in a realistic and thrilling manner and for an exhibition of its kind, it is the best that ever visited here. The daring stunts and feats of horsemanship exhibited by bands of Indians, cowboys, negroes, Mexicans, was of a high order, indeed filled the hearts of all with admiration. The boomerang throwing typical Australian bushmen, was a unique feature and deserving of special commendation. In short, the entire performance from start to finish was excellent and held the closest attention of the large audiences—Pittsburgh Dispatch.

## PAWNEE BILL.

The Pawnee Bill historical wild west and grand Mexican hippodrome gave two performances yesterday and gave entire satisfaction. Miss May Little, the champion rifle shot of the world, Mexican Rose, the charming actress, the most daring and reckless horsewoman in the world, the Indians and cowboys and the museum of wonder, the wild buffalo, are all supremely good and wonderful. The whole show is one of rare merit and we cordially recommend it to the people.
